

## Snow and Inclement Weather Closures

In the event of snow or other inclement weather, we will post our center status on our website. Closures and late openings will be posted by 6:00 AM.

If an early closure is required due to weather or power outages, we will post an announcement on the website in addition to contacting parents via telephone.

Please note that winter weather may cause the center to operate with limited staff. We will only accept as many children as we can safely and legally care for, on a "first-come, first-served" basis.

Our website is:
